TARIFF FORMAT

- A. <u>Sheet Numbering</u> Sheet numbers appear in the upper-right corner of the sheet. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff.
- B. <u>Sheet Revision Numbers</u> Revision numbers also appear in the upper-right corner of the sheet. These numbers are used to determine the most current sheet version on file with the Commission. For example, 4th Revised Sheet 14 cancels 3rd Revised Sheet 14.
- C. <u>Paragraph Numbering Sequence</u> There are various levels of alphanumeric paragraph coding. Each level of coding is subservient to its next higher level of coding.

2. 2.1. 2.1.1. 2.1.1.A. 2.1.1.A.1. 2.1.1.A.1.(a)

D. <u>Check Sheets</u> - When a tariff filing is made with the Commission, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new sheets are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current sheet on file with the Commission.

SECTION 2 - RULES AND REGULATIONS

2.1 Carrier Undertaking

Carrier provides long distance interexchange telephone service to customers for their direct transmission of voice, data, and other types of telecommunications.

Communications originate when the customer accesses Carrier directly or through the facilities of the local service carrier via one or more access lines, equal access or on a dial-up basis. Carrier may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Carrier network. The customer shall be responsible for all charges due for such service arrangements.

Services are provided on a monthly basis unless otherwise stated in a service agreement and are available twenty-four (24) hours per day, seven (7) days per week. The minimum service period is one month (30 days).

2.2 Limitations on Service

- 2.2.1 Service is offered subject to the availability of the necessary facilities and/or equipment and subject to the provisions of this tariff.
- 2.2.2 Carrier reserves the right to discontinue furnishing service upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff or in violation of the law.
- 2.2.3 Title to any equipment provided by Carrier under these regulations remains with Carrier. Prior written permission from the company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to any assignce or transferee.

ISSUED: May 30, 2002 **EFFECTIVE:** , 2002

ISSUED BY: Greg Schneider, President

Digizip.com, Inc.

2.3 Use of Service

Service may not be used for any unlawful purposes or for any purpose for which any payment or other compensation is received by the customer, except when the customer is a duly authorized and regulated common carrier.

2.4 <u>Limitation of Liability</u>

- 2.4.1 Carrier shall not be liable to any person, firm or entity for damages, either direct, indirect, consequential, special, incidental, actual, punitive, or for any other damages or lost profits arising out of mistakes, accidents, errors, omissions, interruptions, delays or defects in transmissions and not caused by the negligence of the customer, commencing upon activation of service and in no event exceeding an amount equivalent to the proportionate charge to the customer for the period of service during which mistakes, accidents, errors, omissions, interruptions, delays or defects in transmission occurred.
- 2.4.2 Carrier makes no warranty, whether express, implied or statutory, as to the description, quality, merchantability, completeness or fitness for any purpose of the service or local access, or as to any other matter, all of which warranties by Carrier are hereby excluded and disclaimed.
- 2.4.3 Carrier, at its own expense, will indemnify the customer and hold it harmless in respect to any and all loss, damage, liability or expense asserted against the customer by a third party on account of any property damage or personal injury caused by any negligence or willful misconduct of Carrier or its agents or representatives arising out of performance by Carrier of any testing or other activities on the customer's premises pursuant to this tariff. Carrier's obligations under the immediately preceding sentence shall be subject to the customer's full performance of this tariff and subject further to the customer's duty to take reasonable precautions in the location, construction, maintenance and operation of all activities, facilities and equipment for the protection against hazard or injury and to not interfere with the services provided by Carrier.

2.4 <u>Limitation of Liability</u> (continued)

- 2.4.4 Carrier shall be indemnified and held harmless by the customer against:
 - A. Claims for libel, slander, infringement of copyright or patent infringement, unauthorized use of any trademark, trade name or service mark arising out of the material, data information, or other content transmitted over the carrier's facilities; and
 - B. All other claims arising out of any act or omission by the customer in connection with any service provided by Carrier.

2.5 <u>Interruption of Service</u>

A credit allowance for interruptions of service which are not due to Carrier's testing or adjusting, to the negligence of the customer, or to the failure of the channels, equipment, and/or communications systems provided by the customer, are subject to the general liability provisions set forth herein. It shall be the obligation of the customer to notify Carrier of any interruption in service. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission by or within the customer's control and is not in wiring or equipment connected to the Carrier terminal.

2.6 Restoration of Service

The use and restoration of service in emergencies shall be in accordance with the Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations which specifies the priority system for such activities.

ISSUED: May 30, 2002

EFFECTIVE: , 2002

ISSUED BY:

Greg Schneider, President Digizip.com, Inc.

2.7 <u>Customer Responsibility</u>

- 2.7.1 All customers assume general responsibilities in connection with the provision and use of Carrier's service. When facilities, equipment, and/or communication systems provided by others are connected to Carrier's facilities, the customer assumes additional responsibilities. All customers are responsible for the following:
 - A. Placing orders for service, paying all charges for service rendered by Carrier and complying with all regulations governing the service. The customer is also responsible for assuring that its users comply with regulations.
 - B. When placing an order for service, the customer must provide:
 - 1. The name(s) and address(es) of the person(s) responsible for the payment of service charges.
 - 2. The name(s), telephone number(s), and address(es) of the customer contact person(s).
 - C. The customer must pay Carrier for the replacement or repair of Carrier's equipment when the damage results from:
 - 1. The negligence or willful act of the customer or user.
 - 2. Improper use of service.
 - 3. Any use of equipment or service provided by others.
 - D. After receipt of payment for the damages, Carrier will cooperate with the customer in prosecuting a claim against any third party causing damage.

Greg Schneider, President Digizip.com, Inc. 9 East 45th Street, 9th Floor New York, NY 10017

2.7.2 Maintenance, Testing, and Adjustment

Upon reasonable notice, the equipment provided by Carrier shall be made available for such tests and adjustments as may be necessary to maintain them in satisfactory condition. No interruption allowance will be granted for the time during which such tests and adjustments are made.

2.7.3 Deposits and Advance Payments

A. <u>Deposits</u>

The Company will not require a deposit from customers.

B. Advance Payments

The Company reserves the right to collect an advance payment from customers whose ability to pay for services is unknown. The advance payment will not exceed one (1) month's estimated charges which will be applied against the following month's actual charges and, if necessary, a new advance payment will be collected for the following month.

2.7.4 Credit Allowance

Credit for failure of service or equipment will be allowed only when failure is caused by or occurs in equipment owned, provided and billed for, by Carrier.

- A. Credit allowances for failure of service or equipment starts when the customer notifies Carrier of the failure or when Carrier becomes aware of the failure and ceases when the operation has been restored and an attempt has been made to notify the customer.
- B. The customer shall notify Carrier of failures of service or equipment and make reasonable attempts to ascertain that the failure is not caused by customer provided facilities, any act, or omission of the customer or in wiring or equipment connected to the terminal.

ISSUED:

May 30, 2002

EFFECTIVE: , 2002

ISSUED BY:

Greg Schneider, President Digizip.com, Inc.

2.7 <u>Customer Responsibility</u> (continued)

- C. Only those portions of the service or equipment operation disabled will be credited. No credit allowances will be made for:
 - 1. Interruptions of service resulting from Carrier performing routine maintenance;
 - 2. Interruptions of service for implementation of a customer order or change in service;
 - 3. Interruption caused by the negligence of the customer or his authorized user;
 - 4. Interruptions of service due to the failure of service resulting from customer provided facilities.

2.7.5 Cancellation by Customer

If a customer orders services requiring special equipment and/or facilities dedicated to the customer's use and then cancels his order before the service begins or before a completion of the minimum period agreed upon by the customer, a charge will be made to the customer for the non-recoverable portions of expenditures or liabilities incurred by Carrier. If, based on such an order, any construction has either begun or been completed, but no services provided, the non-recoverable cost of construction shall be borne by the customer.

2.8 Carrier Responsibility

2.8.1 Calculation of Credit Allowance

Pursuant to the limitations set forth herein, when service is interrupted the credit allowance will be computed on the following basis:

- A. No credit shall be allowed for an interruption of less than two hours.
- B. The customer shall be credited for interruptions of two hours or major fraction thereof that an interruption continues beyond two hours.
- C. When a minimum usage charge is applicable and the customer fails to meet a usage minimum credit, the outage shall be applied against that minimum equal to 1/360th of the monthly minimum charges associated with the portion of service disabled for each period of two hours or major fraction thereof that an interruption continued beyond two hours.

2.8.2 Cancellation of Credit

Where Carrier cancels a service or the provision of equipment and the final service period is less than the monthly billing period, a credit will be issued for any amounts billed in advance, prorated at 1/30th of the monthly recurring charge for each day the service was rendered or the equipment was provided. This credit will be issued to the customer or applied against the balance remaining on the customer's account.

2.8 <u>Responsibility of Carrier</u>

2.8.4 Fractional Charges

Charges for a fractional part of a month are calculated by counting the number of days in the billing period before service was furnished or discontinued. The number of days in the billing period are divided by thirty days and the resultant fraction is multiplied by the monthly charge to arrive at the fractional monthly charge.

2.8.5 <u>Customer Complaint Procedure</u>

The Company's Customer Service Representatives are available by calling toll free: 1-866-375-8324. The Company will resolve any disputes properly brought to its attention in an expeditious and reasonable manner. Unresolved disputes may be directed to the attention of the Illinois Commerce Commission as follows:

SECTION 3 - DESCRIPTION OF SERVICE AND RATES

3.1 <u>Timing of Calls</u>

The customer's monthly usage charges for Carrier service are based upon the total number of minutes the customer uses and service options subscribed to. Chargeable time begins when the connection is established between the calling station and the called station or PBX. Chargeable time ends when either party hangs up.

There are no charges incurred if a call is not completed.

3.2 Start of Billing

For billing purposes, the start of service is the first day on which service is available for use by the customer. The end of service date is the last day of the or any portion thereof that service is provided by Carrier after notice of cancellation by Customer.

3.3 Interconnection

Service furnished by Carrier may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by Carrier. Service furnished by Carrier is not part of a joint undertaking with any such other carriers. Any special interface equipment of Carrier and other participating carriers shall be provided at the customer's expense.

Interconnection with the facilities or services of other carriers shall be under the applicable terms and conditions of the other carriers' tariffs. The customer is responsible for taking all necessary legal steps for interconnecting his customer-provided terminal equipment or communications systems with Carrier's. The customer shall secure all necessary licenses, permits, right-of-ways, and other arrangements necessary for such interconnection.

ISSUED: May 30, 2002

EFFECTIVE: , 2002

ISSUED BY:

Greg Schneider, President

Digizip.com, Inc.

3.4 <u>Terminal Equipment</u>

Carrier's service may be used with or terminated in customer provided terminal equipment or customer provided communication systems, such as teleprinters, handsets, or data sets. Such terminal equipment will be furnished and maintained at the expense of the providing customer, except as otherwise agreed in advance and in writing. The customer is responsible for all costs at their premises, including personnel, wiring, electrical power, and the like incurred in the use of Carrier's service. When such terminal equipment is used, the equipment shall comply with the generally accepted minimum protective criteria of the telecommunications industry.

3.5 <u>Calculation of Distance</u>

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The company uses the rate centers and associated vertical and horizontal coordinates that are generally accepted within the telecommunications industry.

Formula:
$$\sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

3.6 Minimum Call Completion Rate

The customer can expect a call completion rate of 99% of calls attempted during peak use periods for all Feature Group D (1+) services.

3.7 Special Promotions

Carrier may from time to time offer special promotions to customers upon prior Commission approval of such promotion.

3.8 Service Offerings

The Company provides the following services:

3.8.1 Message Toll Service (MTS)

Outgoing long distance service whereby the customer accesses the Company's underlying carrier's network on an equal access or dial-up basis.

In non-equal access areas, the customer will gain access to the Carrier's network by dialing a 101XXXX access code which will be provided by the Company.

3.8.2 Inbound 8XX Service

Inbound service is virtual banded inbound toll service which permits calls to be completed at the subscriber's location without charge to the calling party. Access to the service is gained by dialing a ten digit telephone number which terminates at the customer's location. Inbound services originate via normal shared use facilities and are terminated via the customers' local exchange service access line.

Carrier will accept a prospective inbound service customer's request for up to ten (10) telephone numbers and will reserve such number(s) on a first come first serve basis. All requests for number reservations must be made in writing, dated and signed by a responsible representative of the customer. Carrier does not guarantee the availability of number(s) until assigned. The telephone number(s) so requested, if found to be available, will be reserved for and furnished to the eligible customer.

If a customer who has received a number does not subscribe to the Company's inbound service within 90 days, the company reserves the right to make the assigned number available for use by another customer.
